

This is a detailed political map of Europe and its surrounding regions. The map shows the following:

- Continents and Regions:** Europe, North Africa (Morocco, Algeria, Tunisia), and parts of the Middle East (Turkey, Greece).
- Islands and Archipelagos:** Greenland (Denmark), Iceland, Faroe Islands (Denmark), Shetland Islands, Orkney Islands, Hebrides, Channel Islands (Guernsey, Jersey), and the Balearic Islands.
- Major Bodies of Water:** North Atlantic Ocean, Norwegian Sea, North Sea, Baltic Sea, Black Sea, Aegean Sea, Ionian Sea, Tyrrhenian Sea, Ligurian Sea, and the Bay of Biscay.
- Key Cities and Towns:** Numerous cities are labeled, including Reykjavik, London, Paris, Berlin, Rome, Athens, Moscow, and many others.
- Geographical Features:** The Arctic Circle is shown as a dashed line. The Strait of Gibraltar is labeled.
- Scale and Projection:** The scale is 1:19,300,000. The projection is Lambert Conformal Conic Projection, standard parallels 40°N and 68°N. A scale bar shows 0 to 300 Kilometers and 0 to 200 Miles.
- Color Coding:** Different colors are used to distinguish between various countries and regions.
